## Welcome Back!

We hope spring break brought a nice change of pace for your family, whether that meant travel, downtime, or a bit of both; we have enjoyed hearing all about our Timberwolves break!

As we head into Term 3, it's time to ease back into routines and get ready for the final stretch of the school year. There's lots to look forward to in the weeks ahead, with new learning, classroom activities, and end-of-year events on the horizon.

Term 3 is a great opportunity for students to build on their progress and finish the year feeling confident and proud of their efforts.

Thank you, as always, for your ongoing support. We're glad to have everyone back and ready for a strong finish to the year.

# SCHOOL ANNOUNCEMENTS

## Gaga Ball Pit Fun!

The wait is over! Our brand new Gaga Ball pit has officially arrived! Installed over Spring Break, this exciting addition is already bringing tons of energy and fun to our playground. Students can't wait to jump in, dodge, strike, and play this fast-paced game together.

A huge thank you to our PAC for making this happen. Your generosity and support continue to create incredible opportunities for our school community.

## Parking

As we settle back into our routines, we'd like to remind families to be mindful of parking in and around the school neighborhood. Please take note of posted signage indicating where parking is not permitted, and avoid blocking driveways or parking on a portion of sidewalks.

We also ask that you be especially mindful of students who may step out onto the road unexpectedly.

Thank you for helping us keep our school community safe and respectful for our neighbors.

## BC Games Needs Volunteers!

The BC Summer Games are coming to Kelowna this July 22 - 26. Events like this need reliable volunteers to help create memorable experiences for the young athletes. If you are interested in helping out, please click [HERE](#) to register as a volunteer. Thank you for your support!!

---

## DENTAL HEALTH

---

### April is Oral Health Month!

#### **Healthy smiles help children learn, grow, and feel their best.**

Taking care of teeth and gums starts with simple daily habits like brushing twice a day with fluoride toothpaste, flossing daily, eating healthy foods, and visiting a dental professional regularly. Good oral health supports overall health and helps prevent problems before they start. This month is a great reminder for students and families to focus on the basics and keep smiles bright at every age.

Click [HERE](#) for more dental health information.
