

# WHAT'S HAPPENING AT AME?

## Happy Halloween AME!

We had a fang-tastic day! Our Little Side staff suited up as superheroes, and our Big Side team brought The Cat in the Hat and the Things to life!

### Important School Dates

Monday, November 3

Tuesday, November 4

- Hot Lunch: Domino's Pizza/Jugo Juice

Wednesday, November 5

- STEM Stations: Willms, Mac, Montgomery, Strukoff, Szewczyk

Thursday, November 6

- Hot Lunch: OPA!

Friday, November 7

### Upcoming:

Nov. 10 - Remembrance Day Assembly

Nov. 11 - NO SCHOOL - Remembrance Day

Nov. 13 - Picture Retakes

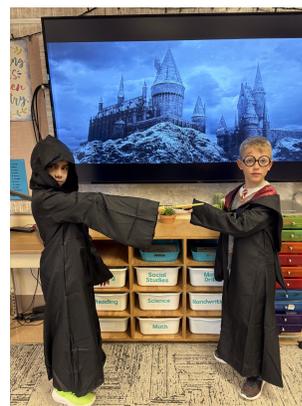

Nov. 19 - Norman Foote Concert

Nov. 26 - Cultural Performance: Axe Capoeira

Nov. 28- Spirit Day: Flannel Friday!

We loved seeing all of the creative costumes and celebrating with our Timberwolves today! Wishing everyone a fun, safe, and smile-filled Halloween night!

# SCHOOL ANNOUNCEMENTS

## Remembrance Day Assembly

On Friday, November 10 at 10:00 am, our school will come together to honour, remember and show gratitude to those who served and continue to serve our country.

Parents are welcome to join us, please enter through the doors by the gym.

We'd love to see all our Cubs, Embers, Guides and Scouts proudly wearing uniforms for the ceremony.

## Bundle up Timber Pups!

Even with those gorgeous blue skies and sunny afternoons, the crisp fall air has definitely arrived! Please help keep our students cozy and comfortable by sending them to school dressed for the cooler weather so they can enjoy their outdoor playtime.

## No Gum at School Please!

Please do not send gum to school. It ends up stuck under chairs, on sidewalks, and in all sorts of spots that are not the garbage can. We appreciate your help in teaching respect for our shared spaces and keeping our school clean and welcoming for all students. Thank you for your understanding and support!

## Meet Our Staff!

Ms. Rachael Pauls  
Music Teacher

How long have you worked at AME? This is my 4th year here!

What makes AME special to you? This area is special to me because my grandparents used to live just down the road on Berk Ct. Although I didn't live in Kelowna as a child, I loved visiting this area, going for walks and to the beach.

Favourite Colour: Blue

Favourite Holiday: Valentines Day

Favourite Hobby: Dragon Boating

Favourite Sweet:  Dark Chocolate

# TIMBERWOLF HIGHLIGHTS

## Everyone Rides Program

"The Grade 4s were lucky to have the Everyone Rides bike program visit this week. On Monday, we learned about bike safety in our classrooms and then on Tuesday, we got to have fun riding our bikes and practicing what we learned! We learned hand signals for when we are biking on the road and how to do an ABC check on our bikes which included air, brakes, and chains. Our favourite part was when we pretended that we were in a real intersection on our bikes. This was a really exciting experience to have!"

-Juliette and Scotlyn

## Central Okanagan Food Bank

We are happy to share the results of our food drive in support of the Central Okanagan Food Bank. Thanks to your generosity and big Timberwolf hearts, we collected **650 pounds of food**, with a total food value of **\$2,366!**

Your donations will make a real difference for families in need. This incredible achievement shows what happens when our Timberwolf pack comes together to care for others and make our community stronger.

Thank you to our students, families, and staff for being true Hunger Heroes and for showing the spirit and compassion that makes our AME community so special.

Way to go AME!

# PAC NEWS

## Class Parent Rep Needed!

We are still looking for a class parents rep for Galloway's class!

Please email [annemcclymontpac@gmail.com](mailto:annemcclymontpac@gmail.com) if you are interested.

## Created by Kids Fundraiser

Artwork would have been sent home this week! Take a moment to check it out and place your order for fun keepsakes/gifts featuring your child's artwork! This is a great way to support our school! **Please return artwork to school by Tuesday, Nov. 4.** Please be careful not to crease the artwork.

## 2025-2026 PAC Budget

Please click [HERE](#) for this year's budget that was approved at Monday's PAC meeting. This lists everything that PAC will fund for the school year.

## Halloween Dance Clean Up

We had a fantastic turnout for our Halloween dance – thank you to everyone who came out to celebrate! Unfortunately, after the fun was over, our school was left with a large amount of garbage and mess scattered throughout the gym and hallways.

Events like these are meant to bring our community together, but it's also important that we leave our shared spaces the way we found them. Cleaning up after ourselves isn't just about keeping the school tidy – it's about showing respect for our custodial and school staff as well as the parent volunteers who put this event together and cleaned it all up afterwards.

Let's use this as an opportunity to remind our children (and ourselves) that part of being a good community member is taking responsibility for our messes. A few extra minutes spent picking up wrappers, bottles/cans, pizza boxes and decorations can make a big difference – and sets the right example for our students/children.

Together, we can make sure our next event is just as fun and leaves our school looking as great as it did before the party started.

Thank you for your ongoing support!

AME PAC

# TEACHER FEATURE

Ms. Bothe's grade two class has been busy learning and having fun with the Halloween theme.

"We wrote Halloween stories this week. Some kids chose to write with a partner and other students chose to write their own story. We rolled a die to choose our characters, setting, time and plot. We read our stories out loud to the class and loved hearing all of the creative ideas.

We went to Macmillan Pumpkin Patch and we went on a hayride. We got to pick a cute little pumpkin, and we decorated it with jiffy markers and pipe cleaners.

We loved seeing the donkeys and the horses.

We looked up information about spiders and wrote some facts. We decorated our sheets with fake spider webs and spiders.

We also completed a Halloween adding math sheet."

- Ms. Bothe's Grade 2's
