Traffic Safety

- **Orange cones indicate no parking or entry.** Please do not park or enter areas marked by cones.
- **U-turns are not permitted on Eldorado.** Please help us keep traffic moving safely by following the designated traffic flow.
- **Pickup lane on the "big" side:** If you are parked in the pickup lane, please remain in your vehicle. This helps us avoid unnecessary backups and keeps traffic moving.
- **Please do not park in the bus loop.** This area must remain clear for buses and student safety.
- **Accessible parking:** Please do not park in a designated accessible parking stall unless you have a valid accessible parking permit displayed.

We appreciate everyone doing their part to keep our pick up area safe and moving as smoothly as possible.

PAC NEWS

Please see information below regarding CMS' open house this coming Monday. CMS has extended the invitation to families from their feeder elementary schools who may be curious about Canyon Falls Middle School. If you have a current Grade 5 student and would like a chance to explore the school, you are welcome to drop in.

Please note: This is an informal open house rather than a Grade 6 orientation or information session. Their more formal Canyon Falls information session for upcoming families will take place in April.
